PROFESSIONAL SUMMARY

Commercial Operations & Sales Leader with over 14 years of regional success driving procurement governance, supply chain optimization, and margin protection within the UAE B2B electronics and industrial markets. Highly adept at aligning cross-functional teams, orchestrating complex import/export logistics, and leading large-scale trade events. Combines deep operational expertise with a digital edge, leveraging **modern AI tools and workflow automation** to prototype custom CRM solutions and streamline inventory audits, driving business agility and cost-efficiency.

PROFESSIONAL EXPERIENCE

TULTOP INTERNATIONAL FZC LLC

Sharjah, UAE

Commercial Operations & Sales Manager

01/2024 – Present

- B2B Pipeline Governance:** Spearhead sales pipeline execution and purchasing workflows for high-value B2B electronics and LED industrial lines.
- Margin & Risk Optimization:** Direct contract reviews, tariff positioning, and quote auditing, protecting gross product margins.
- Cross-Functional Synergy:** Coordinate logistics, sourcing, and commercial units to accelerate order-to-remittance (OTR) timelines.

PROCESS AUTOMATION & DIGITAL INNOVATION

- ▶ Prototyped custom internal CRM tools using open-source LLMs, reducing software licensing overhead.
- ▶ Designed automated inventory auditing workflows, streamlining data reconciliation processes.

Logistics & Procurement Manager

12/2015 – 12/2023

- Supply Chain Infrastructure:** Directed global trade supply lines for export and re-export actions across regional corridors.
- Customs Compliance:** Standardized declaration clearings, landing check-offs, and compliance protocols, avoiding delays.
- Financial Auditing:** Administered ledger accounts, cost-center tracking, and reconciliation workflows using Tally ERP.

DIGITAL OPERATIONS

- CRM Prototyping
- Workflow Automation
- AI Integration
- Process Optimization
- ERP Systems
- Tally ERP
- Network & Systems
- Data Reconciliation
